## COME EXPERIENCE MOMENTUM

[www.momentummotorwerks.com](http://www.momentummotorwerks.com)

### Momentum MotorWerks all-electric vehicles will change the way you experience playing and working in a variety of locations.

- Around your neighborhood/community
- Driving to, from and even on the golf course
- Within campgrounds by visitors & workers
- At local, state and national parks for trail riding
- At athletic events by officials & athletic trainers
- Within hotels/resorts by guests & workers
- In retirement communities by residents
- On your farm or acreage for work & fun

Momentum MotorWerks all-electric vehicles have unheard of options not found on most golf carts, UTVs, side-by-side vehicles or ATVs. Here are some of those standard options and features:

- |                             |                             |
|-----------------------------|-----------------------------|
| • Heat and Air Conditioning | • FM Radio Sound System     |
| • Power Windows             | • All Clear-Glass Windows   |
| • Car-like Interiors        | • Hydraulic Disc Brakes     |
| • Water/Air Tight Cab       | • Windshield Wiper System   |
| • NHTSA Certified           | • Full Lighting System      |
| • 110V Standard Charger     | • Full Charge within 6 Hrs. |
| • McPherson Suspension      | • 25 mph max speed          |
